CHC RESIDENT DIES FROM COMPLICATIONS OF COVID-19

CUMBERLAND, MD – The Allegheny County Health Department reports that a resident of Cumberland Healthcare Center has died from complications of COVID-19. This brings the county total to 20 fatalities from the disease. No new cases were reported. The cumulative number of positive cases stands at 185.

Going forward, the health department will continue to provide case counts on Monday, Wednesday, and Friday. However, testing figures will only be provided weekly as part of Friday's report.
